ECHO Housing Launching Urgent Fundraising Campaign For New Air Conditioner At House of Bread and Peace

EVANSVILLE, IN: As extreme temperatures continue to soar in our community, ECHO Housing and Community Development is urgently seeking the help of our generous community members to raise \$6,000 for a new air conditioning unit for The House of Bread and Peace, an emergency shelter for women and children experiencing homelessness. The unbearable heat poses a serious health risk to the vulnerable individuals we serve, making the need for a functioning air conditioning system more critical than ever.

Currently, the shelter is struggling with a 24 year old air conditioning unit that has completely failed in this extreme heat. This is affecting the well-being of the women and children who rely on us for a safe and comfortable environment. As temperatures rise, so does the danger of heat-related illnesses, especially for the young and elderly among our residents.

We Need Your Help!

To address this urgent need, ECHO Housing is launching a fundraising campaign to collect \$6,000 for a new, efficient air conditioning system. Every dollar raised will go directly towards purchasing and installing the unit, ensuring that the shelter remains a safe haven during these sweltering days.

How You Can Help:

1. **Donate Online:** Visit our website at www.echohousing.org/..... to make a secure online donation.
2. **Mail a Check:** Send checks payable to ECHO Housing Corporation with "AC Fund" in the memo line to 528 Main Street, Suite 202, Evansville, IN 47708
3. **Spread the Word:** Share our campaign with friends, family, and on social media to help us reach as many people as possible.

"We are calling on our community to help us provide a safe, cool space for these women and children who have already faced so much hardship," said Sarah Wolf, Social Services Director of ECHO Housing and Community Development. "Your generosity can make a real difference in their lives, offering comfort and safety during this heatwave."
